

## NEUROSCIENCES COMMUNITY CARE MANAGEMENT AND SENIOR PROFESSIONAL (MSP) CONTRACT APPOINTMENT

The Department of Neurosciences at the University of California San Diego (UCSD) (<http://neurosciences.ucsd.edu/>) is committed to clinical excellence and diversity within the faculty, staff, and student body and we are recruiting for a comprehensive (general) neurologist for our community care clinic.

UC San Diego Health provides a broad range of care offerings for people with neurological disorders. The Department of Neurosciences includes a team of over 60 practicing neurologists and is changing the course of neurological diseases in people's lives every day. UC San Diego Health is consistently at the top of quality rankings for health delivery and patient outcomes, with Neurology and Neurosurgery currently ranked #21 in the nation by US News & World Report.

A successful clinical physician candidate will have the opportunity to provide world-class clinical care, focused on comprehensive neurology, at our North County San Diego, Rancho Bernardo Clinic. Our UC San Diego Health Rancho Bernardo Clinic is a multidisciplinary healthcare center of physicians and advanced practice providers across primary care and over 20 specialties. These clinicians work together as an integrated care delivery team to provide UC San Diego's renowned quality of care in the communities we serve. The clinic is also home to various ancillary services such as lab, multi-modality imaging, retail pharmacy, physical and occupational therapy, and Express Care Clinic, open seven days per week. The candidate will also work synergistically with the wide-ranging team of generalist and specialist clinicians within the UC San Diego Department of Neurosciences and others within the UC San Diego Health System.

This position is a full-time clinical position, and the salary is commensurate with qualifications and based on the University of California pay scales.

Applicants may apply by sending an email along with their CV to Francesca Marciel ([fmarciel@health.ucsd.edu](mailto:fmarciel@health.ucsd.edu))

All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, disability, or status as a protected veteran.
