

MEMORY CONCERNS?

*Get Screened.
Get Information.*

WHAT IS MEMORY SCREENING?

- Memory screenings are like other routine health check-ups
- Each memory screening takes approximately 30 minutes and while the result is not a diagnosis, it can suggest if someone should see a physician for a full evaluation
- No cost and no commitment to participate in research required
- Individualized consultation with participants that includes information about normal aging and memory disorders as well as available resources in the community
- Se Habla Español

PRUEBAS DE MEMORIA GRATIS!

*Sea examinado.
Obtenga información.*

¿QUÉ SON LAS PRUEBAS DE MEMORIA?

- Los exámenes de memoria son como otros exámenes médicos de rutina.
- Cada prueba de memoria lleva aproximadamente 30 minutos y el resultado no es un diagnóstico pero puede indicar si una persona debe visitar a un médico para una evaluación completa.
- No hay costo ni compromiso al participar.
- Consulta individualizada con los participantes que incluye información sobre el envejecimiento normal y los trastornos de la memoria, y los recursos disponibles en la comunidad.
