

You're Invited!

Join us in celebrating a remarkable milestone as we honor 40 years of continuous NIH funding and 20 years since the naming of the ***Shiley-Marcos Alzheimer's Disease Research Center***.

December 12, 2024 at 2pm

Altman Clinical Translational Research Institute (ACTRI) Auditorium

9452 Medical Center, La Jolla, CA 92037

The event will feature live presentations and a live film screening, highlighting our journey and advancements in Alzheimer's research.

After the program, please join us for a reception at 3:00 PM to connect with our SMADRC community to celebrate our achievements together.

We look forward to seeing you there!
