

Clinician Research Referral

Shiley-Marcos Alzheimer's Disease Research Center • UC San Diego

(858) 822-4800
participate@ucsd.edu
adrc.ucsd.edu

ELIGIBILITY

✓ Include

- Mild Cognitive Impairment (MCI)
- Early Stage Alzheimer's Disease (AD)
- Dementia with Lewy Bodies (DLB)
- Frontotemporal Dementia (FTD)
- Age 85+ (with or without diagnosis)
- Able to be triple imaged (PET/MRI)

✗ Exclude

- Too impaired (MOCA $\leq$ 15 / MMSE $\leq$ 20)
- History of stroke
- Serious psychiatric condition

RESEARCH PITCH

A complement to, not a replacement for, clinical care.

Personal Insight

Annual evals & biomarker feedback

Support

Social worker, QoL & support groups

Future Impact

Contributing to next-gen research

All free for patients:

Cognitive evaluation + feedback

MRI + Amyloid + Tau PET

Access to intervention studies

Support groups & QoL programs

Transportation + compensation

Brain donation option

Suggested script:

"I'd like to refer you to the Shiley-Marcos ADRC. You may be a great candidate for research on brain changes in aging. It's a complement to your clinical care. The ADRC team will reach out with more info and match you to the best fit."

REFERRAL STEPS

1

Identify eligible patient

Use the Eligibility Criteria column.

2

Deliver the pitch

Use the framing in the Research Pitch column.

3

If patient is interested:

Direct Referral Option: Provider to fill out referral link using the following QR code:

Indirect Referral Option: Provider to encourage patient to scan and complete this QR code:

4

Patient contacted within 1 week

Mariana / ADRC team will follow up.
